All our dishes are made fresh, in house. Where possible we like to source produce from local businesses.

Our fruit and vegetables come from Strawberry Catering. Our sourdough is from Holy Grain. We use WH Frost Butchers for most proteins, and our eggs are from JS Atherton and Son. Our black pudding is from Fruit Pig.

All dishes that we prepare in our kitchen could potentially be cross contaminated with all allergen groups.

For further information please ask a member of our team.

We don't add any service charges to bills, but if you have enjoyed our food and service, our staff would be made up if you tipped them.

Thanks so much for you business. We really do appreciate it!
